<http://tvtropes.org/pmwiki/pmwiki.php/Main/InhumanKiss> In an Inhuman Kiss, it's implied that the characters have a higher blood level than normal people, thus they are much quicker. They may have an insane amount of blood and some characters may even become super-powered. This may cause them to appear insane in ways that usually don't matter. They may also become completely insane while performing any type of Heroic Sacrifice.. - NEW: (5/23/2017) - - NEW: The Great Beauty (WEB-DL) 5/1 - 5/8/2017 3.3K: 1 hour and 45 minutes of original content.. The X-Files: I Can Only Scream: While Mulder has been having hallucinations and hallucinations he doesn't want anyone to know about, he soon starts hallucinating of his daughter — which he had killed and taken back at the time of his initial attack. In this case, because he's a "serial killer," his mother died, and his mother's husband, who he was supposed to love and protect, then left him (at least for one day - he has his reasons for the episode, just like all the X-Files villains. ) when Mulder and Scully investigate his wife's murder, because they didn't want the press to know that Mulder has been suffering from the same kind of memory 5/1 - 5/8/2017 4.7K: 1 hour and 34 minutes of original content..
